

IBRAHIM ARIF

B.Sc. (Medical & Biological Physics), J.D.
Associate | Lawyer

iarif@rowandlaw.com
(437) 350-1680

Ibrahim assists on a broad range of intellectual property matters, with a focus on U.S. and Canadian patent and trademark prosecution. Ibrahim completed his Juris Doctor in 2024 at Osgoode Hall Law School in Toronto. During law school, Ibrahim was actively involved in academic and extracurricular pursuits. He was selected to represent Osgoode Hall Law School at both the 2024 USPTO National Patent Drafting Competition and the 2023 Harold G. Fox IP Moot.

Prior to law school, Ibrahim studied Medical & Biological Physics at McMaster University, where he developed expertise in radiation physics, medical devices and medical imaging. He also worked as a student health physicist at Ontario Power Generation and completed research focused on astrobiology at McMaster.

He previously summered and articulated with the Firm.
